Ask these questions before you submit a claim:

- Does the policyholder's name (box 12) match what is listed on their ID card?
- Is the patient's relationship to the policyholder (box 18 and box 10, if applicable) marked as "Self," "Spouse" or "Dependent Child"? (Although uncommon, "Other" may be checked if the patient's relationship to the policyholder is not listed.)
- If the patient's relationship to the policyholder (box 18) is anything other than "Self," are boxes 20-22 completed?
- If there is a second policy covering the patient, are boxes 4-11 completed?
- Are all procedures the patient received listed on the claim, even if they are not covered?
- Is the applicable quadrant, tooth number and/or tooth surface (boxes 25, 27-28) provided on the claim as appropriate?
- Am I using the most current CDT codes on the claim?
- If treatment does not have a corresponding CDT code, is a narrative and appropriate unspecified coding (e.g. D2999, D4999, D9999) provided?
- For multi-visit procedures like crowns, root canals or dentures, is the date of completion/seat/delivery submitted as the treatment date (box 24)?
- Is the billing dentist or dental entity information (boxes 48-52) provided on the claim?
- Is your billing and treatment address (boxes 48 and 56) listed exactly as contracted?
- If your practice has an NPI Type 2 (box 49), is it provided on the claim? (Type 2 is for incorporated businesses, such as group practices.)
- Is the treating dentist information (boxes 53-58) provided on the claim?
- Is the NPI Type 1 (box 54) for the treating dentist provided on the claim?

If you answered "no" to any of these questions, your claim may be delayed or rejected. Please correct these common issues before submitting the claim to Delta Dental.

NOTE: If your electronic claim is denied, make the necessary corrections before re-submitting. Do not submit a paper claim instead of correcting issues. Mailing a claim containing errors will continue to cause delays/rejections.

Additional tips for paper claims:

- Use the current claims form, which you can download at deltadentalaz.com/dentist
- Only send X-rays upon request. Unsolicited X-rays are separated from claims and discarded, as copied or faxed X-rays are not typically high-quality.
- Do not highlight information on the claim. Paper claims are scanned upon receipt and highlighting appears as a black box.
- Save postage and mail multiple claims in a single envelope or submit your claim for FREE at deltadentalaz.com/dentist
- Free form text, comments and additional notes should only be placed in the "Remarks" section (box 35).
