

# Delta Dental's Networks: What's the Difference?

When you need dental care, choosing an in-network dentist is always a good idea. That's because network dentists have agreed to offer reduced fees and abide by our policies—and have met industry standards for care, safety and cleanliness. However, your specific dental benefits plan may offer access to one or more of our dentist networks.

## Delta Dental PPO™

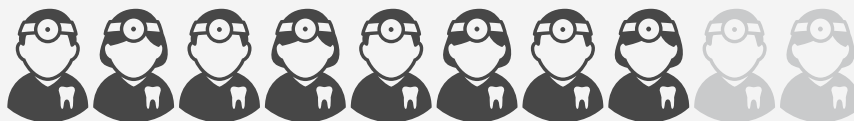

3,529 115,048

Access to more than 3,500 participating dentists in Arizona and 115,000 dentists in 347,000+ locations nationwide.<sup>1</sup>

Provides the deepest discounts.

Together, Delta Dental PPO and Delta Dental Premier make up the largest network of dentists in the state and nation<sup>2</sup>. That means it's always easy for you to find an in-network dentist. That also means minimal disruption, fewer out-of-network claims, higher satisfaction and lower costs for dental care.

## Delta Dental Premier®

3,909 152,887

More than 3,900 participating dentists in Arizona and 152,000 dentists in 410,000+ locations nationwide.<sup>1</sup>

Dentists have agreed to reduced fees for dental care services.

## Deltacare® USA

530 25,133

Access to a national Dental Health Maintenance Organization (DHMO) that includes more than 500 participating locations in Arizona and 25,000 nationwide.<sup>1</sup>

A primary care dentist is selected from a panel of designated dentists.

The primary care dentist then manages your dental needs, including specialist referrals.
