

Hearing (and seeing) is believing

Vision and hearing loss go hand-in-hand

Mature adults¹ and diabetics² are likely to experience both vision and hearing impairments. In fact, research shows an increase of adults in their 20s and 30s with hearing loss.³ How does that impact you? Well, 95% of those with untreated hearing loss feel that it impacts their on-the-job performance.⁴

Delta Dental of Arizona has you and your employees covered

As a value-add, we're pleased to include affordable hearing care through Amplifon—the world's largest distributor of hearing aids and services—with your DeltaVision administered by EyeMed plan.
