

DeltaVision®

Something cool for your members!

Introducing One & Sun™, an exclusive new add-on benefit for DeltaVision®

Congratulations on participating in the DeltaVision One & Sun benefit. Through this exclusive program, DeltaVision eligible members¹ and their covered spouses can claim a **FREE pair of Ray-Ban®, Oakley® or other brand name sunglasses** every other year when they get an annual eye exam. It encourages a healthy habit that could make an important difference in your health and wellness because regular eye exams can help identify early signs of many serious health conditions.

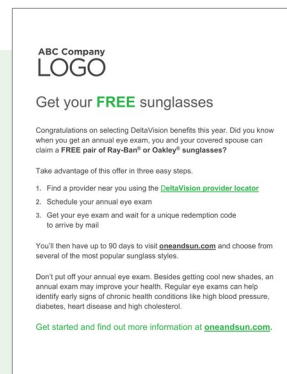

In order to help your employees get the most out of their vision benefits, it's important they know about this exclusive offer.

We have a number of ways to help you spread the word.
