in the state and the nation.³

Dental & Vision Benefits for Your Budget

Think you can't afford dental or vision benefits for your company? Think again.

Pay as little—or as much—as you want toward your employees' low monthly premium. Employees will still benefit from a lower, group rate. Plus, employees enrolled in our dental plans will receive covered preventive care and affordable restorative care when visiting network dentists. And employees with our vision coverage save on eyewear, contacts, exams and even laser vision correction!

And **we won't change your rate for 2 years.** Guaranteed.²

Save with a dental and vision bundle

Studies have shown that the majority of adult Americans use some form of vision correction and most feel it's important to have vision coverage. As an employer, providing strong vision coverage is an easy way to improve overall health and productivity, not to mention, create a happier workforce.

We make it easy to complement your dental offering with a DeltaVision® plan. **Discounted rates are available when you bundle dental and vision benefits** with Delta Dental.

The Delta Dental Difference®

Dependable Value.

Great care isn't worth much if you can't afford it. That's why we offer a range of quality solutions to meet your unique needs and budget.

Trusted Access.

We remove barriers to offer the convenient and industry-leading care you need.

Ease of Use.

Uncomplicated. Straightforward. Hassle-free. That's what you get when you choose us.

Signature Service.

Your dedicated implementation consultant and account executive will make on boarding a snap. Plus, our U.S.-based customer service teams have a reputation for helpful, caring and responsive service.
