Dental Care Resource Guide

The Delta Dental of Arizona Foundation supports projects and services promoting good oral health practices and increasing access to dental care. This resource guide is published to provide information about low-cost and free options for dental care. It is important to always call the providers listed to ensure eligibility and availability of services. Many require an appointment.

Delta Dental of Arizona provides this list of clinics and programs, which has been compiled from public sources and may not include all available clinics or programs. Inclusion on this list does not represent an endorsement by Delta Dental of Arizona. You are encouraged to review publicly available information and contact locations directly to confirm eligibility and availability of services.

Resource guide project of Delta Dental of Arizona Foundation. A special thank you Sarah Sharits, Carter Powers, Julie Roorda and Espie Jauregui-Echeveste at Delta Dental of Arizona and Nour Abdellatif for their assistance and attention to detail in this project.
