

Highlighting our impact on Arizona's communities

2026 DDAZF Grants Investing in Arizona Nonprofits

This year, the Delta Dental of Arizona Foundation invested more than \$830,000 across 37 Arizona nonprofits and introduced our first-ever \$100,000 Innovation Grant. With these grants, we want to improve access to oral healthcare and food programs for underserved communities.

Championing Access to Care

From baseball to fundraising to baseball and back again to nonprofit work, Barb Kozuh built a career at the intersection of sports, community and giving back. That passion for people eventually led her right where she belongs: championing access to care for underserved communities across Arizona. Tune in to hear how the Foundation is making a difference.

EVENT SPOTLIGHT Healthy Smiles Month at the Children's Museum

18 years and counting. Every February, we partner with the Children's Museum of Phoenix for National Children's Dental Health Month and turning what can feel like a scary topic into something kids actually get excited about. From magic shows to giant tooth brushing demos, we're meeting families where the fun is.

GRANTEE SPOTLIGHT Valleywise Health

It started with a simple ask: brush your teeth twice a day. With support from the Delta Dental of Arizona Foundation, Valleywise Health made it easier to turn that small habit into a routine part of hospital care.

MLK Jr. Day of Service

This Martin Luther King Jr. Day, our team members rolled up their sleeves in Glendale to pick fruit and clean up an orchard. The harvest was then donated to St. Mary's Food Bank Alliance through Project Vitamin C. Turns out, giving back and keeping communities healthy go hand in hand.

POP QUIZ!

Answer: Delta Dental of Arizona donated 155,862 toothbrushes in 2025.

A toothbrush is one of the simplest tools we have for protecting our oral health and our overall health. When communities have access to the basics, healthier lives follow. See everything we accomplished together last year.
