Smile!  
It increases your face value.

If you smile when you are  
alone, then you really mean it.

Everyone smiles  
in the same language.

Never regret anything  
that made you smile.

Because of your smile,  
you make life more beautiful.

Nothing you wear is more  
important than your smile.

A smile is happiness you'll  
find right under your nose.

Use your smile to  
change the world;  
don't let the world  
change your smile.

A smile is happiness you'll  
find right under your nose.

Smile!  
It increases your face value.
